

AGMS ADVISORY FOR CREW CHANGE THROUGH PORT SUDAN

Presently the security crew changes operations in Red Sea are carrying out through Port Sudan(PZU). This facility has been available for clients to safely transfer their unarmed security crew to and from MV Avant Garde.

Entry permit (Visa) issued by the Sudan authority is a mandatory prerequisite for any passenger arriving in Sudan. AGMS will process and secure the visas at airport which requires minimum three working days (excluding Friday/Saturday) if there is no immigration system interruptions in the system.

In order to facilitate the above, AGMS operations a fixed shuttle service to and from MV Avant Garde on every Thursdays (However any exclusive boat arrangements could be organized on client request). We require only clear scanned passport (PP) and Seaman book (CDC) copies, to be reached four days in advance to portsudan@avantmaritime.com
